FreeAgent™ | XTreme

E X T E R N A L   D R I V E

USB 2.0, FireWire 400, eSATA: 500 GB, 640 GB, 1 TB, 1.5 TB

Perfect for when you need to

- Access super large files quickly and frequently.
- Easily store all your photos, music, videos, and other files in one safe convenient place.
- Automatically back up your data.
- Keep your important files and folders private.
- Sync your content between the FreeAgent Desk drive and other portable drives.
- Get your storage solution up and running quickly.

Sleek, big-capacity desktop storage with blazingly fast data transfer

With its huge capacity and the fastest file transfer speeds today, the Seagate® FreeAgent™ XTreme storage solution helps you easily safeguard all your photos, music, videos, and documents and access them with maximum performance. Included, easy-to-use software helps keep your information safe and private with automatic data backup and encryption of your important files and folders. Environmentally smart utilities help save energy by putting your FreeAgent drive in sleep mode once it has been idle for 15 minutes. And you can take advantage of its flexibility to lie on its side or stand upright to maximize your workspace.

Count on the FreeAgent XTreme storage solution for quick access to super large files, added protection for all your content—and to look really good on your desk.

Highlights

- Conveniently store all your photos, music, videos and documents in one place thanks to large storage capacities of 500 GB, 640 GB, 1 TB and 1.5 TB.
- Experience blazingly fast data transfer thanks to eSATA, USB 2.0, and FireWire 400 interfaces.
- Enjoy a sleek, modern design that offers the choice of horizontal or vertical orientation to complement your desktop environment.
- Easily protect your data with automatic backup software.
- Keep your important files and folders private with powerful software encryption technology.
- Sync content between your FreeAgent XTreme drive and other portable drives so you'll always have your current file versions wherever you are.
- Get started quickly with pre-loaded software. No CDs!
- Save energy with an environmentally smart utility that can put your drive in sleep mode once it has been idle for 15 minutes.
- Enjoy peace of mind with a 5-year limited warranty from the worldwide leader in storage solutions.
