

# FreeAgent® GoFlex™ Desk

EXTERNAL DRIVE

Drive Only

#### Perfect for when you need to:

- Store or back up photos, movies, music and documents
- Access your files with both PC and Mac® computers

**Capacities** 1TB, 2TB, 3TB

#### Protect, store and access files through the interface of your choice with the world's most versatile drive.

The GoFlex™ Desk external drive delivers high-capacity storage and automatic, continuous backup with encryption for all your files with its preloaded software. As the world's most upgradable external desktop drive, you now have the ability to upgrade your connection interface to suit your needs. Plus, the option to place the drive vertically or horizontally complements any desktop.

#### Access files with the interface of your choice.

Use the standard USB 2.0 interface or upgrade to USB 3.0 or FireWire® 800 by pairing the drive with the appropriate GoFlex upgrade adapter to instantly increase file transfer performance by up to 10x, depending on the interface.

#### Free your files.

With the included NTFS driver for Mac®, you can now interchangeably store and access files from PC and Mac computers without reformatting. The NTFS driver is simply installed once on your Mac computer, allowing it to access and store files in a PC compatible format\*.

*\* Reformatting to HFS+ required to use backup software for Mac or Time Machine® software*

#### Highlights

- Easy-to-use preloaded backup software with encryption
- World's most versatile external drive - upgrade to a faster interface with a GoFlex™ Desk desktop adapter
- Offers both vertical and horizontal drive orientation
- Requires GoFlex desk interface adapter, sold separately
- 2-year limited warranty (APAC- 3-year)

*Requires GoFlex adapter, sold separately*
